The Constitutional amendment will appear at the top of the first column, and the next seven columns will be given over to the parties that have filed with Secretary of State Stratton. The length of the columns will be approximately the same as was used in the 1928 general election.

## Mt. Prospect Department

Helen Edwards celebrated her sixteenth birthday Friday, Sept. 30, at the American Legion at a party for a number of her friends from Mt. Prospect. The guests arrived immediately after school and enjoyed a lunch of sandwiches, ice cream, and birthday cake, after which they played many games. Last of all they opened a huge surprise pudding in which each one found a favor. Helen received many pretty gifts and thanks all her friends for making this such a happy day for her.

Mrs. C. Pankonin attended the Plunkett luncheon given by the Arlington Heights Presbyterian church on Friday.

Miss Amy Amundson and Nora Amundson, cousins of Mrs. T. Thorson, have returned to their home in St. Paul after a much enjoyed visit here.

Mr. and Mrs. R. Smey entered Mrs. Smey's family in honor of little Lois Smey's third birthday.

Miss Amy Amundson of St. Paul, Minn., was the soloist at the Mount Prospect Community church last Sunday. The church certainly appreciated her kindness in thus favoring them.

Mr. G. Andresen will be the soloist at the Community church next Sunday. All who have heard him will be glad of the opportunity to hear him again.

LeRoy Walsh was bitten by a dog and it was necessary to take seven stitches in his thigh. We are glad to report that he is getting along as well as can be expected.

Mr. A. Luckner and Mr. and Mrs. L. Luckner and family of Chicago visited the E. M. Luckner family on Sunday.

Miss Myrtle L. Frey spent Monday night in Chicago, attending a club meeting after which she stayed at her brother's home.

The three Holste boys, Kenneth, James and Floyd attended their cousin's birthday party in Arlington Heights Saturday. The cousin is Walter Nebel.

Mr. Walter Mueller and family visited at the home of Fred Mueller on Tuesday evening.

Tonight (Thursday) Oct. 6, the Adults Bible class at the St. Paul school, will again be in session. Everyone is invited to attend regardless of religion or nationality. They will enjoy the lovely talks given by Reverend J. E. A. Mueller. His explanations are such that all will be able to understand.

The weekly meeting of the Mascoutin Camp Fire Girls takes place tonight (Thursday) in the Community hall at 7:30 p. m.

The William Jaeger family moved to Chicago and we are sorry to lose them but Mr. Jaeger's work necessitated his living in the city.

Next Friday and Saturday at St. Paul school auditorium, the Road Back Home. 35 and 25 cents a ticket.

Mrs. O. Busse, Mrs. A. Schramm, Mrs. A. Dresser drove to Chicago Thursday where they attended a 1 o'clock luncheon and bridge at the home of Mrs. Horstmann. Mrs. Schramm having high score, won a very lovely prize.

The boys of the Public School and the boys of the St. Paul school played football at the ball park Saturday. St. Paul was the winner.

Remember that October 14th and 15th means the Road Back Home, at the St. Paul school auditorium.

Meeting of Prospect Post No. 1337, Veterans of Foreign Wars, will be held at the home of O. S. Johnson Friday, Oct. 7, at 8 p. m.

Mrs. Arno Schramm had a very pleasant visit with her mother, aunt and cousins who came from Milwaukee Tuesday.

Little Johnny Dresser celebrated his 7th birthday Sunday. Relatives came from Fremont to join in the lovely Sunday dinner.

The report that Kenneth Schramm has his bicycle again is incorrect. Both the bicycle and tent are still missing. Any one that can give a clue as to their whereabouts will please call the Mt. Prospect police? This will be greatly appreciated and names will be held confidential as to the informer.

Marjorie Bauman, daughter of Mr. and Mrs. Arthur Bauman of Rand and Central roads is home from the hospital. Although partly in a plaster cast, she is a brave little soldier and can smile. We hope it will not be long when the cast will be removed.

A bit of excitement took place Thursday when Will Metz with a bus full of Mt. Prospect high school children, met with a slight accident on the way home. Not Bill's fault and no one hurt so all is well.

Have you learned the newest chorus? Here it is "To chase the blues away, see the Vet's play!"

Miss Gertrude Mochling is still on the sick list with Mrs. Benic taking her place at the store.

No church service will be held in the St. Paul Lutheran church Sunday morning. Mission Fest services will be held in the afternoon in German and in the evening in English.

Mrs. E. T. Wolf and son, Bobby, returned home Thursday after a two week's visit at Savannah, Mo., at the home of her sister, Mrs. Amanda Nickols.

Mr. W. E. Lahtinen of Detroit and brother, Werner, of Minneapolis visited at the Wyman Lahtinen home over the week-end.

The E. L. Anderson family have moved to the former Hoods home on Louis avenue.

Miss Alma Paepke was a dinner guest Sunday, Oct. 2, at the home of a friend in Chicago.

Mrs. E. T. Wolf attended the Men's club dinner at the Methodist church, Arlington Heights, Tuesday evening, Sept. 27.

Mrs. Martha Freitag entertained her club Tuesday night.

Mr. and Mrs. Paul Schwerman had their baby girl christened Beverly Jean, at their home Sunday afternoon. Grandpa Rev. Heise of Waukegan, officiated.

Mr. and Mrs. E. T. Wolf gave a dinner Sunday in honor of Dr. W. A. Stearns of Savannah, Mo. Other guests, Dr. Paul Paepke, Herman Paepke and daughter, Hazel, Milwaukee; Harold Niles, River Forest; and Geo. Klehm and daughter, Henrietta, of Arlington Heights.

The Garage's winning streak has ended. After winning ten straight the Bakers put a stop to them and took the last two games by neat margins. Bumba led the way for the Bakers and becomes the first member of the "600 club" with 604. The best Radler could do to lead the Garage was 537.

After having a bad time getting started the Bankers finally rallied and took three from the Wolves but after all, Gosh only rolled 475 to lead the Bankers while Winn led the Wolves with 573. Figure it out.

The Hardware came crashing through to take three from Meeske's. Haberkamp showed the way for the Hardware with 595 and Haas was high for Meeske's with 518. Helwig of the Hardware rolled a 254 game. The standings:

## V. F. W. NOTES

While the Veterans of Foreign Wars and their Auxiliaries are not connected with politics, and political talk is barred from their meetings, the interests of the veterans in regard to legislation benefits for them through acts of Congress are some of the things backed by the V. F. W.

At the 33rd National Encampment of the Veterans of Foreign Wars held at Sacramento, California, last month, they considered ways and means of attaining the following legislative benefits for veterans through acts of Congress: Pensions for World War widows and orphans.

Immediate cash payment of adjusted compensation certificates. Extension of time for filing suits against government for insurance payments.

Reinstatement of government insurance privileges for veterans who previously surrendered their policies for cash.

Increased compensation for arrested T. B. veterans.

Appointment of disability allowance payments of dependents. Protection of widows and orphans insurance rights.

Elimination of income tax provision in existing disability allowance legislation.

Compulsory hospitalization facilities for veterans of all wars.

Enactment of a uniform pension measure.

Increased pensions for totally disabled Spanish-American War veterans.

Pensions for veterans who served in minor campaigns in the Southern Philippines and elsewhere.

Twenty-year premium for disabled veterans under civil service.

Civil service disability preference for Spanish-American War Veterans.

Increased pay for active and retired officers and enlisted men of the Army, Navy and Marine Corps.

Readjustment of retired pay of certain warrant officers and enlisted men.

Double time credit for retirement purposes for all enlisted men who served overseas or afloat during the World War.

Hospitalization for Confederate veterans in government hospitals.

Free transportation for G. A. R. and Confederate veterans to annual encampments.

Extension of time for naturalization of World War veterans.

Enactment of Philippine Travel Pay Bill.

World War disability pensions on an equal basis with veterans of other wars.

Elimination of "pauper" clause in all veterans and pension compensation legislation.

Extension of U. S. Veteran Employment Bureau facilities.

Strict enforcement of Civil Service Veteran Preference legislation and executive orders.

Elimination of married women employees holding government jobs.

Reimbursement to veterans by government of expenses in compromised legal suits.

As all who have followed up the writings of the V. F. W. in this paper know Prospect Post No. 1337 and its auxiliary has continually backed up the full cash payment of adjusted compensation; in other words, the soldier bonus. This, we feel, would benefit not only the veterans, but the merchants as well and would enable them to pay off debts made by some due to present conditions. We are sure it would be a great step toward putting our nation on the upward trend. It is also pleasing to read that other organizations have at last seen the wisdom of backing the soldier's bonus. With added forces the bonus payment should become a reality.

## "The Road Back Home" At Mt. Prospect Next Week by V. F. W. Post

Next week Friday the curtain will rise on "The Road Back Home," the play you have been waiting for, which is to be given by Prospect Post No. 1337, Veterans of Foreign Wars.

Mother Time, that patient little mother that loves her son dearly and sees just the good in him. Like real mothers in life, she forgets and forgives the bad. After fifteen years Jimmy has come home and with him come love, excitement, almost everything happens. Your heart will ache for him and against him. The play is full of emotion.

There is a girl in the case, of course. Rose, the adopted daughter of Mrs. True, fills this role. You will want to see her.

Ory Hoskins, the small town express agent, and his daughter, Susan, provide much of the comedy in the play. Ory will be there to see that you laugh and laugh, you will, you'll scream!

Micky, Jimmy's pal, plays a very important part. This calls for a good bit of acting and our Micky gives you plenty of that. Besides being serious, crooked and whatnot, he gives much spice to the play.

Helen, a neighbor, John Mooney, the sheriff of Trueville (and what a sheriff he is!) L. N. Stark, the stranger who comes as the chief of the New York Secret Service and last, but not least, Winifred Wayne, the final intruder, all take a very important part in "The Road Back Home."

You will not be disappointed if you are looking for a good play. The Veterans of Foreign Wars want you to have only the best. Former plays given by Prospect Post No. 1337 stand as a proof and example of this. Why not say "To chase the blues away."

See the Vets play at the St. Paul School auditorium Friday and Saturday, October 14 and 15, at 8:15 p. m. The tickets are 35c for adults and 25c for children.

LADIES AUXILIARY OF PROSPECT POST 1337 The Ladies' Auxiliary of Prospect Post No. 1337, Veterans of Foreign Wars, had a five hundred and bridge entertainment with friends in the Community hall last Friday.

Mrs. E. Pohlmann had high score. Mrs. R. Quinn, Mrs. A. Schramm, and Mrs. H. Grimm received prizes. Doughnuts, rosettes and coffee were served.

The election of officers takes place this week Friday in the Community hall at 8 p. m. All members should be present. Candy will again be made for the play and will also have reduction in price, as are the tickets. Candy will be 5 cents a bag and of the same high grade candy as always. Proceeds of last Friday's affair have been forwarded to National headquarters to be put into the National Relief fund.

CARD OF THANKS The children of the late Charles Hedke, wish to extend their sincere thanks, to the many friends who so nobly stood by them in the recent bereavement, and especially, Rev. J. E. A. Mueller for his words of comfort, Mrs. R. Kent for her two consoling solos and Mr. E. R. Jackisch, for his wonderful work at the organ as well as William Busse, C. D. Busse, D. Friederichs Jr., H. A. Hastings and Harry Mielke for the use of their cars, and to the neighbors who gave so unselfishly of their time and labor, also the firm of Lauterburg and Oehler who rendered and arranged everything for the comfort of all concerned.

For the children of Charles Hedke, by Frank Lueders.

ST. PAUL'S LUTHERAN CHURCH Calendar No services Sunday morning. Mission Festival Oct. 9. The afternoon speaker will be Pastor Paul Meyer of Glenview, who will deliver the message in the German language, in the evening Pastor Daniel Hennig, will speak in English. ## WHEELING

The two month old baby boy of Mr. and Mrs. Glueck, died at their home on Sunday. Burial was made in Montrose cemetery, Chicago.

Robert Kruse entertained several of his high school comrades on Saturday night for practice for the 5 piece jazz orchestra to which they belong.

The regular baseball season being over, the married men played the single men last Sunday.

The school boys ball team played their first game of the terms scheduled last Friday with Glenview school. The Wheeling boys were the victors by a score of 10-1.

Childerley Community Center held "open house" for the first time last Saturday evening. This is a new project, whereby the spacious school building and gymnasium at Childerley, is being offered to the surrounding community as a center for community activities.

An entertaining program was presented for those in attendance on Saturday evening, and the plan for the new and broader use of the plan for the new and

building was fully explained by Mrs. A. Larkin, the Supt. at Childerley. The building offers opportunities as a meeting place for such activities as: Chorus, folk dancing, basketball, handwork, dramatics, games, gymnasium, craft work, sewing, shop work, reading club, study club, cooking, etc. Open house evenings will also be held periodically. People of the community interested in taking part in the various activities, as they may be organized, or to attend open house will be requested to apply for a membership card. Adult membership cards carry the small fee of 25c a year and include those from high school age and up. Junior memberships may be secured by those 10-14 years of age, for which the fee will be only 10c a year. These memberships will grant the privilege of the use of the building as directed by the advisory board. Members will be expected to abide by the regulations set for the use of the building or membership will be forfeited. The members of the advisory board at present are: Mrs. Larkin, Mrs. Wiles, Rev. E. L. Shaw, Miss B. Keith, Mr. L. Clark, Mr. Ellwood, Miss L. Schneider. Application for membership can be made to any one of the board, who in turn will present the application to the board.

# South Side Breezes

Miss Genevieve Krah and Sylvester Greshner were married Saturday afternoon at Waukegan. They are living at present with the bride's parents, Mr. and Mrs. Joseph Krah. Congratulations and best wishes are extended.

Mr. and Mrs. Everett and Mrs. John Wilson of South Pine avenue, have returned from a several weeks visit with relatives in Oklahoma and Arkansas.

George Hearn was home over the week-end. He returned Monday to St. Louis.

Mrs. William Kopplin entertained the South Side Card club Monday afternoon at her home.

Mr. and Mrs. Palmer have had a double loss. Mr. Palmer's mother passed away a few months ago and now Mrs. Palmer has lost her mother. Our sympathy is extended.

Miss Grace Barrett visited her sister, Harriett in Champaign Saturday night and Sunday.

Mr. and Mrs. R. H. Richards visited friends at Winthrop Harbor Saturday evening.

Miss Mildred Lipinski is visiting her sister, Mrs. Victor Pecchia.

Mr. and Mrs. O. G. Barrett had Sunday dinner with Mr. and Mrs. Michaels at Chicago Heights.

Mr. and Mrs. Baker moved out from Chicago recently and are residing at 414 So. Dunton.

Mrs. George Dobbins, Lester and Donald and Mrs. Smart went to Champaign Saturday. Mrs. Smart, who has been visiting her daughter during the summer months will remain in Champaign for the winter.

# Crowded Schedule Makes Band Work Hard to Arrange

While the crowded condition of the program at Arlington Heights High School and the work at Director Costain in the typewriting classes, make it impossible to give the band a regular period in the Gay's program, by distributing the rehearsals over several periods of the day it will be possible for the band to meet once each week and still not require pupils to miss a great number of classes.

The band will practice Tuesdays, October 11, the band will meet during 5th period; Oct. 18, the 6th period; Oct. 25, 7th period; Nov. 1, 8th period; Nov. 8, 2nd period; Nov. 15, 5th period; and thereafter each Tuesday, following the above plan. By this plan no pupil will miss more than one recitation in a given subject in five weeks. Arrangement is made so as not to cause great difficulty for either pupils or teachers.

# RICH BEGGAR ROUSES IRE DOWNSTATE

See Scheme to Make Farmers Pay Costs of Chicago Local Relief

Down state Illinois is getting aroused about Chicago's seeming lukewarmness in supporting the \$20,000,000 bond issue proposition at the November election, which if passed, will prevent the cost of the early 1932 relief program being loaded on as state taxes on property, largely real estate.

"Mayor Cermak's committee 'pulled the wool' last spring when the legislature authorized \$18,750,000 for relief funds through the sale of anticipation warrants, 94 per cent of which Chicago received and spent," writes the Alton (Ill.) Times Record to the Cook County Herald and associated newspapers.

"When the present legislature turned over the first \$20,000,000 to Chicago, she was filled with gratitude and the test of the state pay her bill." (But just last Thursday, the Chicago Daily Tribune printed an editorial favoring the bond issue—Ed.)

"Then Chicago received a loan of \$9,000,000 from the Reconstruction Finance Corporation. Although it is not generally known, this is a loan to the state of Illinois, and the citizens of the state who will have to repay it are in all probability those living on farms downstate.

"Loudly Chicago is backing the proposed sales tax which would bring many millions of dollars into the state treasury to be drained off for her benefit. But there must be no income tax, because that would catch the millionaires of Chicago. It is far better that fathers of large families pay a tax on bread for their children than that a Chicago financial magnate be taxed on his 'balloon type' income.

"Chicago is bankrupt. She has no more credit than a street-corner tramp. Illinois is broke or at least badly bent from paying Chicago bills. Apparently Chicago does not intend to rest until she has ruined the credit of the state as well and saddled its taxpaying citizens with a load of debt that will crush and ruin them.

"What is wrong with Chicago? She refuses to pay her taxes. Her government is evidently so crooked and graft-ridden that her taxing machinery has broken down completely.

"It is about time Illinois administered a sound spanking to that overgrown, spoiled child of hers. Many a spoiled child has thrown a parent into bankruptcy."

ARLINGTON HIGH SCHOOL TAKES OUTSIDE PUPILS

Twenty-nine pupils from non-high school districts are now studying at Arlington Heights High School, according to Mr. V. I. Brown, principal. Four of these are from Lake county, the others from Cook.

If the present revenue for state highway construction is not disturbed, the state department of public works and buildings will complete during the remainder of 1932 and during 1933, additional highway and street contracts totaling approximately \$38,723,000. This information was given to the legislature by Director Harry Cleveland of the state department and Frank T. Sheets, chief highway engineer, having been asked for figures showing the amount of work under construction and contracted for.

# Miss Klehm Figures In University Doings

The Relief committee and other sponsors of the Arlington Heights Dental Clinic are grateful to County Commissioner Homer J. Byrd for securing for them a supply of printed record envelopes, to provide complete physical records of patients. This saved the clinic about \$25 of expense.

Announcement of the opening of the clinic will be made shortly.

**Democratic Nominee From Seventh Dist. Withdraws From Race**

James J. Finneran, Democratic candidate for representative in the General Assembly from the Seventh District, notified Secretary John F. Delaney of Cook County Country Towns Democratic Organization yesterday (Friday, Sept. 30, 1932) that he declines to run in the coming election.

Mr. Finneran gave as the reason his inability to give the time to the campaign, which would be required and which would keep him away from several business interests which are occupying his time at the present.

He pointed out also that his district covers more territory than any other district in Illinois, running from the boundaries of Lake county on the north around the city of Chicago to DuPage county on the west and ending at the Indiana state line on the south. The district in the past has been overwhelmingly Republican and this is the first time that two democrats have been nominated to run in that territory.

"I feel in declining to permit my name to go before the Electors in November that I am not only simplifying the Democratic fight in the country towns, but also relieving myself of the time which I can not afford to give to my campaign," declared nominee Finneran.

Mr. Finneran was nominated at the same time as that of Emmett McGrath, representative from the seventh district and on the same slate.

# EAST MAINE

The new, enclosed porch being added to the Chas. Schuknecht home on Ballard road is nearing completion and work on his new garage was started this week.

The East Maine P. T. A. held their regular meeting October 3, at which among other things, it was decided to run an Old Time dance at Jimmie Galli's East Maine pavilion, Saturday evening Nov. 5. Everybody is welcome.

Did you go to the polls and register Saturday? If not, you still have a chance to do so, Tuesday, October 11. Remember if you fail to register in person you lose your vote and with that big presidential election coming in November, you will not want to miss your chance to cast your ballot for your favorite candidate. So don't forget, October 11 at your usual polling place.

Emil Goettsche met with an auto accident early Sunday morning at Lawrence and Harlem avenues, while returning from an anniversary celebration at the home of a relative. A skull fracture and other bruises about the head and a severely fractured left arm are the nature of Emil's injuries. He was picked up unconscious and taken to the Belmont hospital and later moved to the Des Plaines Emergency hospital. The accident was a head-on collision with a big car. Emil's little roadster is almost a complete wreck. Many friends are pulling for him and wishing him a speedy recovery.

# GIRL SCOUT NEWS

The Community Girl Scout committee met Monday afternoon at the home of Mrs. A. Hauptli, for their first business meeting of the fall.

Mrs. Hauptli reported that five Arlington Heights girls had gone to the official Girl Scout camp at Hickory Hill, Wisconsin.

Plans are being made for a food sale, to be held October 15. Watch for further notice in this paper.

**Ralph W. Emerson, Noted Organist, To Play at M. E. Church**

Many will welcome the opportunity of seeing and hearing in person Ralph Waldo Emerson, internationally known radio organist, staff player at WLS.

Mr. Emerson will appear in an organ recital given in the Methodist church of Arlington Heights, Sunday, October 16, at 4 p. m. and again at 8 p. m. There will be a free-will offering at the door.

Music lovers should not miss this rare treat, which the Ladies' Aid of the church were so fortunate in securing. The combination of talent and appropriate composition will be something long remembered. The organ has been especially tuned for the occasion and a large attendance is expected, so come early.

Mr. Emerson has been enthusiastically received wherever he appeared. He plays the organ at the Chicago Stadium, which is considered the largest in the world.

# Real Estate Notes

If everybody would take an example from those that are thrifty enough to put something by, as our slang so individually says, there would be much more contentment in this world.

Saving in time of need has a definite purpose. The love for the soil that they call their home, protective of old age, an earlier retirement from all life struggles, and to live comfortably with their life-long mates.

This spirit and their courage, that some people possess, should be and is transferred to many of our younger people as they follow their elders' example by looking for these places in the country, where they can build a little home with a garden spot, where they can raise enough to fill their bins, have a few chickens and not feel the troubles that you have to meet in the large city.

Why not follow this movement? Let us select such a spot for you and your friend, where the real people live and neighbors are the best you can select.

We have made arrangements with owners of larger tracts, to divide them into smaller parcels with low taxes, close to schools and transportation, low prices, easy terms; and if you call at our office, would appreciate a chance to explain it in detail.

# Former Governor Sues Chicago Daily Times

Former Governor Len Small has filed suit in the Circuit Court at Kankakee against the publishers and distributors of the Chicago Daily Times for \$250,000 for libel in connection with an article which appeared in the paper Sept. 21, in which an attack is made upon him charging him with taking silverware and other equipment from the state mansion at Springfield when he retired as governor in 1929.

Former Gov. Small said: "I am tired of their systematic lying and falsehoods, and have made up my mind to legally prove that their statements are false."

The suit was filed by Attorneys Werner W. Schroeder of Chicago and Charles W. Kurtz of Kankakee.

# This Year or Never!

You as an adult can postpone plans, readjust to a changed economy, but in the education of children it is a matter of this year or never. The education that is denied to childhood today is irretrievably lost. We cannot plot the opportunities of youth along the zigzag lines of a business graph. Childhood is all too brief a period in which to become fitted for the welter of modern life.

We cannot say to a child: "Next year we shall see about improving your instruction in health. Next year we shall provide a new course in citizenship which fits you for society's pressing problems. We shall buy you some fine new library books, new maps, new laboratory apparatus, next year. Next year we shall furnish you a wonderful textbook in geography, or history, or arithmetic." For that child, this year's schooling is at least a twelfth, perhaps an eighth, a half—yes, even all—of his remaining education. It is this year or never!

Many things for which we spend public money may be postponed—roads, bridges, new pavements, new lights, but not the education of youth.

Are you helping people to see this? The fine educational opportunities enjoyed by children today have not come about by accident. Are we to allow them to be dissipated at the first financial exigency?

You, the teacher, can hold up your end, if they do not overload you too much. But you must have good tools. You and the bare walls are not enough to fit the child for the demands of this complex age.

Stand firm for the sacred rights of every child—the child of 1932 is no less deserving than the child of 1929. The opportunities we deny him now are lost forever.—The Illinois Teacher.

# LAND VALUES CUT IN ALL THE N. W. TOWNS

## Lowered Valuations Are Effective With Next Tax Collection

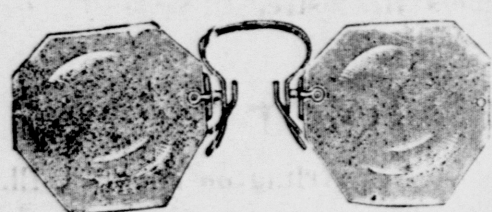

County Assessor J. L. Jacobs this week made public the 1931 assessed valuation of real estate in 17 country towns. These valuations, on which 1931 tax bills will be based, average 24 per cent below the 1930 assessments.

The 1930 assessments for the 17 towns totaled \$182,668.489. They have been reduced by the assessor's office to \$139,629.388 for 1931. The reduction is \$43,039.101.

**Reduction in Northwest Towns**

Town	Pct. reduction
Schaumburg	10
Barrington	12
Elk Grove	22
Palatine	9
Hanover	17
Wheeling	25
Northfield	19
Maine	21

The 1931 valuations represent an average reduction of 21 per cent.

from the 1928 assessments, the last quadrennial valuation. The 1930 valuations averaged 3 per cent higher than the 1928 assessments. The assessed valuation of the 17 towns in 1928 was \$177,628.583.

**"Must Keep Levies Down"**

In making the valuations public Assessor Jacobs pointed out that the tax bill is based on the levies of the local governmental bodies as well as the assessments. Only if levies are maintained at the present level and in many cases reduced will the reduction in the assessments bring a corresponding reduction in the tax bills, he said.

"Most levies are so drawn that the reduction of 24 per cent in the assessment will not necessarily bring the tax bill down 24 per cent," Mr. Jacobs said. "The office of the assessor has done its work for the burdened real estate taxpayer. It is up to the taxpayer to see that the governments cut governmental expenditures and reduce levies to hold tax bills down."

Assessor Jacobs warned taxpayers to steer clear of attorneys and other persons who promise to secure a reduction of 25 per cent in 1931 tax bills. With the reduction of 24 per cent in assessments in the towns indicating a general reduction throughout the county the taxpayer's bill can be cut 25 per cent without throwing away money in legal actions, he said, provided, of course, that the levies are held down.

**Changed Realty Values**

"The reduction in the 17 towns reflects the change in value of real estate which has come with the changed economic condition," Mr. Jacobs said. "It also reflects the careful study of values in particular sections in which the property is situated and the correction of inaccuracies in the 1930 assessment."

The 1931 assessment is a quadrennial assessment and the valuations will stand for the next four years. The assessments of the next three years will not vary unless conditions change markedly, it is said. For the most part the assessments of the next three years will be in adjustment of the quadrennial assessments and the listing of new property.

After the tax bills are issued, which will be shortly after the first of the year, property owners dissatisfied with the final valuation of their real estate will have an opportunity to protest before the board of appeals. The taxes for 1931 are payable in two installments, on April 1 and Nov. 1.

The law now permits the filing of an objection with the board of appeals in the several months' interval between the collection dates of the first and second installments.

**Deducted from Tax Payment**

Any downward adjustment determined at the board of appeals hearings will be taken off the second tax installment. This system gives opportunity for hearing of complaints after the assessment roll has been certified by the county clerk.

Further hope for reduction of real estate tax bills is held out by Assessor Jacobs in his campaign to assess personal property. Already it is indicated that the personal property assessments in country towns will be increased by 20 per cent and in the city by possibly more than 100 per cent.

In the past country towns have paid far more in proportion to personal property than city towns. The assessor has a staff of 242 employees seeking hitherto unscheduled personal property.

**Earns \$25 Catching Rats; Bags Pheasant; Judge Collects \$30; Loss Is \$5**

A Chicago man whose business is the capture of rats, came to Palatine one day last week to fulfill his part of a \$25 contract for the capture of a rat upon the premises of a home on Elm road. After completing his job, he transferred his attentions to pheasants in an adjoining field. A land owner phoned Constable Meyer, who took the visitor into custody and Judge Harz inflicted a fine of \$25 and costs. The net loss to the visitor for the day's work was \$5. Under the law Mr. Meyer made a profit of \$12.50, half of the fine, while the state conservation department is richer by the other \$12.50. All because there was a rat infested home in Palatine.

## District Democratic Headquarters Opened by Harz in Palatine

An active Democratic district organization with H. J. Harz as committee man and in charge of this district, is holding regular meetings in headquarters in the Seip Auditorium at Palatine. Mr. Harz is of the opinion that the Democratic vote in district one which has always been a Republican stronghold, will rival their opponents.

## Meat Bandits Enter Barrington Packing House Tuesday Night

When Mr. Evanger of the Barrington Packing Co. arrived at the plant on Dundee and Barrington roads Wednesday morning, he found the front doors open and about \$300 worth of meat missing. A greater quantity had not been touched by the visitors. The state police and neighboring towns were notified of the robbery, but no trace of the robbers was found.

## Henry Mehl Indicted by Grand Jury; Awaits Trial in County Jail

Henry Mehl, of Palatine, who is charged with the theft of house trimmings and appliances from numerous vacant places in Palatine, has been indicted by the grand jury. Following his arrest two weeks ago by Des Plaines police and the discovery of a quantity of loot at his home in Palatine, a trial was held before Judge Harz, who bound him over to the grand jury. The latter body acted promptly and indictment was returned within a week.

## Woman's Club of Palatine in First Meeting

If all the meetings of the Woman's club of Palatine are going to be as well attended and so successful as the meeting Tuesday afternoon, the members can look forward to an enjoyable year.

Over 40 of the 55 members were present at the Community room of the high school. Mrs. Geo. H. Herrmann outlined the program which was contained in the year book presented to each member present. The program for the afternoon was in charge of the Home and Educational department.

The rugs displayed and talked about in the talk "Rugs and Their Stories" were all owned by club members. There was a Chinese rug, a very lovely specimen, nine Oriental rugs, all Persian, but of different types; a Saraband, a Mossal, a Shiraz, a Lilahan, a Saruk, a Hamadan, a Namazie, the other two were without doubt Persian but the speaker did not know the district from which they came.

There were six hooked rugs, one from Nova Scotia, one a French Canadian purchased in Quebec, and four modern ones made by members of the club.

There was an appliqued rug with a braided border, two braided rugs one showing the use of a continuous braid, the other with the braid joined each time around. A rag carpet was in front of the fireplace. A very lovely Indian rug of red, black, grey and white was also on display.

An old basket owned by Mrs. Pahlman and once belonging to her great grandmother, held samples of other types of rugs, also a piece of the carpet, which once covered the floor of the best room of Miss Hart's great grandmother. This carpet was made of fine woolen strips sewed like a rag carpet and then woven so that the rugs were entirely covered with threads of wool and cotton woven in a plaid design. This carpet was alike on both sides.

In conclusion Miss Hart said, "Let us take time in the midst of our busy lives to do something with our hands, not because we must, not because we ought, but just because we want to do it."

## Wm. Gehrke, Old Palatine Resident Dies at Home of Niece in Oak Forest

## Mrs. Elizabeth Starck Mother of Dr. Starck Passed Away Suddenly

Mrs. Elizabeth Starck, wife of a former pastor of the Long Grove Evangelical church and mother of Dr. C. A. Starck, passed away early Wednesday morning after an illness of one day. The funeral will be held Saturday afternoon at two o'clock from the Danielsen funeral home to St. Paul's church.

## William Ost, Finds Very Little Election Excitement in West

Wm. G. Ost, of Palatine, returned last week from an auto trip to Nebraska and South Dakota. He says that the people out there are not half as excited as Illinois residents over the election. Mr. Ost was unwilling to be quoted politically, but did say that he did find a lot of Republicans out there who are not going to jump into the Democratic column this November.

## Mrs. Barnum Returns to Former Delicatessen Store

Mrs. Barnum is again at her old place in the Baryam Delicatessen store on South Broadway. ## P. H. S. Alumni Notes

The officers of the Palatine High School Alumni, feeling that they needed a more representative group of the Alumni to assist them in planning the years activities for that organization, met together and elected a Board of Control. The Board consists of the following:

A. Gordon Humphrey, president; Priscilla Heise Oswald, vice president; Alice Smith, secretary; Harry Wickensheim, treasurer; Mildred Eubank, chairman of Athletic committee; Dr. Robert Fosket, chairman of Cultural committee; George Minneberger, chairman of Dramatic committee; Robert Schoppe, chairman of Social committee; Mildred Frye Andersen, chairman of Publicity committee; Miss Verna Jumps, representative of High School Faculty.

The chairman of the different committees have chosen members of the Alumni to assist them in their work and it is hoped with the cooperation of all, a year of fun, fellowship and service to the community may be had.

The first event which the Alumni is sponsoring is a Treasure Hunt on Wednesday evening, October 12. All members and friends of the Alumni are invited to meet at the high school building at 8 o'clock that evening. Transportation will be furnished and all will set out on a country wide search for the treasure. The car finding the treasure first is entitled to keep it. Afterwards all will return to the high school building for refreshments. A charge of 25c per person will be made to cover expenses.

## CHRISTIAN SCIENCE CHURCHES

"Unreality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 2.

The Golden Text was, "In the multitude of dreams and many words there are also divers vanities; but fear thou God" (Ecclesiastes 5:7).  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. And the world passeth away, and the lust thereof; but he that doeth the will of God abideth forever" (1 John 2:15, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The continual contemplation of existence as material and corporeal—as beginning and ending, and with birth, decay, and dissolution as its component stages—hides the true and spiritual life, and causes our standard to trail in the dust" (p. 550).

## Civic Exposition-Farmers' Institute, Coming, Libertyville

## How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luedke of Dayton writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."  
To take off fat easily, SAFELY and HARMLESSLY—take one half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast go lighter on fatty meats, potatoes, butter, cream and pastries—it is the safe way to lose unsightly fat and one bottle that lasts 4 weeks costs but a trifle. Get it at Ferd. B. Wendt, or any drugstore in America. If this first bottle fails to convince you this is the safest way to lose fat—money back.  
But be sure and get Kruschen Salts—imitations are numerous and you must safeguard your health.

Here's this week's budget of news. Some joyful and some rather sad; Some to bring signs, some to amuse, And some that just make you mad.

Did anybody hear the katydid this summer? Maybe Katy didn't.

Here come the hope of our nation!

Born, a son to Mr. and Mrs. Albert Bauer, September 29, 1932.

Born, a son to Mr. and Mrs. Edward Coy Thursday, Sept. 29, 1932, in a Chicago hospital. Home, North Belmont avenue.

Mr. Edward Bouffard of South State road is reported very ill, and has been for some time.

Mr. and Mrs. Fred Tesch, Jr., moved this week into the house on South Highland avenue recently vacated by the McBrides.

Word received from the L. B. Waymans in Texas tells of the refreshing showers down there to lay the dust and brace up prospects for the season.

Mr. Paul Fairman, came out from Chicago to spend the weekend with Mr. and Mrs. Sachs, where Mrs. Fairman has been spending the heated term.

Mr. and Mrs. J. O'Brien and Mr. and Mrs. Kerns came out from Chicago to spend Sunday with Mrs. William Heitern and family.

Elroy (Red) Harris is suffering from a fractured collar bone, his portion of a football practice for his game last Sunday at Elmhurst.

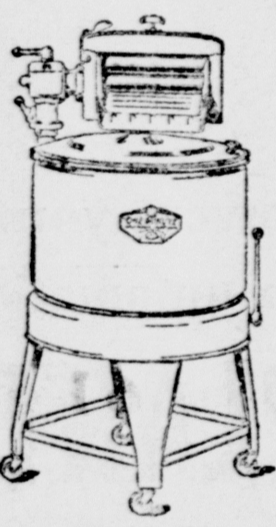

Married: Miss Genevieve Kral and Mr. Sylvester Greshner, Thursday, September 29, last week. The bride is the daughter of Mr. and Mrs. Joseph Kral, and the groom is the son of Mr. and Mrs. John Greshner.

The Joseph Wangen family have moved from the U. A. Reese apartment to the Felz house on South Hill.

Mrs. B. T. Best pleasantly entertained the Corephella group in her home Monday evening this week.

The Legion Auxiliary made their good cheer trip to Elgin Thursday, last week. Mrs. Pope, Mrs. G. R. Wolf, and Mrs. Fitzpatrick took their cars to convey the collection of magazines and other reading matter. They served apple pie a la mode, a real treat to the shut-in ex-service men. In addition to the cheer of giving cheer, the visitors were rejoiced to see one soldier who had been too ill physically and mentally to be in the dining room, had so far recovered as to be with the others at their repeat.

Herman McElhose had so far recovered as to be able to return to the University and resume his studies. In addition to his studies he is teaching industrial arts in the high school at Valparaiso.

The Rally Day service at St. Peter's Sunday school was an encouraging success. Well attended, program well carried out.

Mrs. Mar. Stoeckel from Des Plaines was the guest of Mrs. Albin Flodine one day last week, to meet Mrs. Helen Garland and her sister, Mrs. Laura Ackley Fritz and her new little daughter, Laura Katherine, and incidentally Mrs. Garland's nurse in her hospital experience, Miss Wing.

The Julius Vogel family have moved from North Highland avenue to Mrs. Albrecht's cottage on North Evergreen, known as the old Seiler place.

Mrs. Harold Fitzpatrick went to spend the week-end with her husband at St. Louis, where he is employed.

The Flynn-Gable sisters, with their mother, Mrs. Crowley, left here on their motor trip south, first of the week. They plan to return in time for the spring opening of greenhouses.

M. Wm. M. Weber received a letter from his brother, George Weber, who is at El Paso, Texas, and sends the cheerful word that he is well. Thanks to his friends and comrades will be good news.

The M. E. church people are anticipating a rare musical treat for themselves and all who wish to share it with them. A WLS program, by the broadcasting organization, to be given October 16, at the church, at four o'clock afternoon, and eight o'clock evening. A silver offering received at the door.

Mrs. G. R. Wolf of Mount Prospect was among her friends here to enjoy the "Punkie Dinner" given by the Ladies of the Presbyterian church Thursday last week. Mr. and Mrs. Roy Dickerson have moved from Mrs. D. C. Baetz's house on North Dunton avenue to the Flynn-Gable place on East Euclid.

Mr. and Mrs. Harry Oslund of Beloit were Sunday guests of Mr. and Mrs. Roy Harris. They report that shoe factories of Beloit are working full force overtime.

Mrs. Block is caring for Mrs. Walter Gregory in her home in North Belmont avenue, since her return from the hospital, also for little Antoinette, who has not been usually well.

Mr. Allen V. Crisler and family drove over from Glen Ellyn Sunday to call on his sisters, the Misses Crisler.

The McElhose family went in a group last Sunday for an outing at Dam No. 2 on the DesPlaines river.

The Deenan Aid of St. Peter's church will enjoy a social evening together Tuesday, October 11, in the school hall.

The old time Mother's club will hold their regular meeting Thursday, October 13, with Mrs. Wm. Horstmann in her home in Chicago.

Mr. Frank and his family recently moved from Chicago into the house recently vacated by the Lennartsen family, South Pine Avenue.

Mrs. Weinhardt recently came home from her summer place at Leland, Michigan. Lucky to get back before the autumn storm.

The Book Lovers club will meet with Mrs. Daniels, Wednesday, Oct. 12. The book under discussion will be "Dwarf's Blood."

The W. E. M. S. of the Methodist church will meet with Mrs. W. H. Kelo, 38 S. Mitchell avenue, Wednesday, Oct. 12, at 2:30 p. m.

Mr. and Mrs. Frank Cizek left home Wednesday morning for a motor trip to New Buffalo, Michigan.

Mr. and Mrs. W. B. Beardsley and Mr. and Mrs. Frank Bergson were the guests of Mr. Bergen's brother from the city, who treated them to a day in "God's great out of doors." Sunday in the Doe Grove Forest Preserve. A delightful change for the whole family group, as well as for their city host.

Mr. Harry Garland and his son, Harry, Jr., have gone on their annual trip for Christmas greens from the northern woods. Only "so many" days to Christmas.

P. T. A. congress meets at Ingleside High School, Friday, Oct. 14.

Miss Adele Adam, who has resumed her teaching at Kenosha, recently came home for a week-end.

Too bad our kindergarten cannot be more centrally located. Some of the kind owners of cars who gather up the children, Mrs. Roth, Mrs. Evans, and Mrs. Dick. And no doubt there are others who lend their aid in taking the children to the kindergarten.

Mr. and Mrs. Raymond E. Hayes are to be congratulated on the arrival of a son, William Alonzo, born Tuesday evening at 7 o'clock. The young man weighed 9 1/2 pounds. The name Alonzo is in honor of his grandfather Curritt-Hayes. Mr. Hayes as most people in Arlington Heights and Mount Prospect know, is instructor in history and civics in Arlington Heights High School. This is their second child, the first being a daughter.

The St. Cecilia choral society of St. James church met for a social, enjoyable get together in the school hall Tuesday evening this week. Mrs. Tausant had charge of the entertainment, all of which was most pleasing.

Sunday, Mrs. Charles Fitzpatrick and her family, took Mrs. Parker and her sister, Mrs. Shepard, for a delightful trip to Milwaukee. In addition to their beautiful well kept place, there was much in the drive across country to interest one who had been far away during the many changes and improvements in this part of Illinois.

Our neighbor, Mrs. Jacob Bauer across the street, was one of the lucky winners of a cash prize at the Democratic picnic Saturday in Northridge Park advertised as Homer J. Byrd Day. Congratulations to Mrs. Bauer.

The Men's club at the Methodist church met Tuesday night for a supper, which was followed by a talk by Dr. B. T. Best on pioneer life in Illinois and Wisconsin in the early days.

If you haven't registered, be sure and remember there is one more chance—Register October 11.

Allderman Gus Frumberg has a taste of manly duties last week while J. D. Floris was away. That week was enough for Gus. He says that the job of being mayor of Arlington Heights is harder and more wearing upon good nature than being president of a closed bank, which is saying a lot. "Was very thankful," said Gus, "when I heard the voice of Julius over the phone Saturday night. I had the first real sleep in a week, that night."

Another Graduate  
Of '32, Arlington Heights High School

The name of Rudolph J. Gruber, son of Mr. and Mrs. Henry Gruber of 1328 North Dunton avenue, Arlington Heights, has been added to the list of graduates of the Arlington Heights Township High School, class of 1932. Rudolph had his preliminary high school work at Central Technical High School of Chicago, but transferred to the local high school a year ago this September. He would have regularly been able to finish in the Chicago schools at mid-year this year, but since the local high school does not have mid-year promotions, he was unable to complete his work in June with the class graduating at that time. After the close of the school year, he entered the Central V. M. C. A. School of Chicago and completed sufficient work to entitle him to his diploma from the local high school.

Other members of this class who have registered for additional training are Ralph Jones, now at Frodoth Junior College, Evanston, Minnetonka; Frank Brodman, and Robert Moss, at the Chicago Latin School; Lester Malzahn, and Edward Blunt, at Valparaiso University. Miss Helen Giffert has completed her work at the Chicago Conservatory of Music and has received her certificate from this institution.

Boy Scouts Auxiliary Meets with Mrs. Adam

The auxiliary to Boy Scouts held their regular meeting after vacation with Mrs. Max Adam in her home on East Euclid.

Aside routine business, new officers were elected for the ensuing year as follows: President, Mrs. M. P. Madison; first vice president, Mrs. Max Adam; second vice president, Mrs. Jones; secretary, Mrs.

J. T. Sayers; treasurer, Mrs. A. T. Chidley.

A benefit card party to be given in October was planned for the benefit of scout work.

The next meeting will be held with Mrs. Madison, 415 South Hillside avenue, Mount Prospect.

**Dr. Draper and Family  
Enjoy Happy Vacation**

Dr. Cyrus Draper of Arlington Heights, McHenry county veterinarian, spent the first day of his vacation by taking Mrs. Draper and their daughter, Mrs. Klehn, on a motor trip to Menominee Falls, Wis. Dr. Draper's childhood home, 18 miles from Milwaukee; where her brother, Rev. Henry Nohren, held his first pastorate, going from there to Milwaukee. In the old church, now replaced by a new one, Mrs. Draper was confirmed. The falls are dry; the old mill still stands; most of her old classmates are no more. The long drive thru the arching boughs and hills, formed beautiful natural scenery on the way to Milwaukee. Visiting Milwaukee they were impressed by the seeming prosperity; banks carrying on their usual business, factories working full force, but with shorter hours to give more men a chance.

A shower hastened their trip home where they arrived a bit tired but agreed in the opinion that Wisconsin is a pretty good state, if it hasn't a presidential candidate in the field.

Wednesday they went to visit Mrs. Draper's sister at Beverly and from there a trip to Michigan, to visit their old friends, Dr. and Mrs. Loughlin, coming back to spend two or three days left of his short week's vacation. Dr. C. P. Draper will get acquainted with affairs at home. We trust taxes, assessments and politicians will not in any way destroy his memories of a delightful trip in picturesque Wisconsin, and a genial visit with old friends in Michigan.

**"Mama! That Man's  
At the Door Again"**

Several weeks ago this paper printed a story exposing a magazine racket, then being operated in Palatine and other local towns. These racketeers' salesmen started at Barrington, and were working toward Chicago, where our investigation sent them scurrying from Arlington Heights.

Last week these same men were arrested in Evanston. However, they were later released on promise that they return all money received from their fake subscriptions. As soon as word reached Palatine of these men being again at work, representative of this paper rushed to Evanston in an effort to secure the return of cash taken locally, but Mr. Racketeer had again vanished.

**Demand Peddler's License**

According to law, any person selling books, literature, etc., is required to have a peddler's license, and displayed to persons involved, at their request. Each one of us must do our part in keeping such racketeers out of our local towns. In order to do this, do not turn over any cash without proof of the salesman's honest connections.

**Lutheran Layman's  
League Sees Growth**

The Lutheran Laymen's League (Men's Club) of St. Peter's church, held their regular meeting Friday evening, Sept. 30th, in the school basement. Six new members were taken in, bringing the total membership up to 78. Six visitors were also present. Reports showed a number of prospects for new members. An interesting meeting was planned for the next meeting, Oct. 14th, and a Halloween party was planned for Oct. 28th. After the meeting a number of lively games of cards were played.

**George F. Beardsley  
Made First Lieutenant  
On S. S. Saratoga**

George F. Beardsley, son of Mr. and Mrs. W. B. Beardsley, after serving as ensign on the U. S. Ship Saratoga, stationed at San Diego, has received his commission as lieutenant, after seven years in the service.

Lieut. Beardsley has been for some time in the naval aviation service, and enjoys flying on the long scouting tours on which he is sent. Last year he flew to New York and spent his vacation holidays in that city with his uncle, Prof. Louis Beardsley. He had but three or four days for his visit to his parents and sister here. Certainly Mr. and Mrs. Beardsley have reason to feel pride in their son, who has so perseveringly worked step by step to attain his present creditable position. Arlington Heights' old neighbors and friends join in congratulations to Mr. and Mrs. Beardsley and to their son.

**"Gay Nineties" Revived  
In Song, Dance, Costume,  
Staged by Fidelis Group**

People of the "Gay Nineties" sang, strolled and waltzed in a lovely garden setting at the Methodist community hall last Friday evening, when the Fidelis Circle held a program of the gay nineties and a cake walk.

The program opened with a poem introducing what was to follow. The curtain arose to the tune of "There'll be a Hot Time in the Old Town Tonight," which was sung by four young beaus of the nineties (Roy Labaugh, Howard Helm, Dwight McNally, Stewart Alden) wearing high collars, ascot ties, derbies, white gloves and carrying canes.

Harvey Doggett then sang "Daisy Bell" to Lucille Prellburg, both dressed in sports costumes of the nineties and Lucille rode off "on the seat of a bicycle built for two." (A real tandem!)

Little Annie Rooney (Dorothy Blackburn) and her beau (Fred Utterback) then strolled on and sang "Little Annie Rooney" in a lovely duet.

Following this, Velda Utterback and Leslie Moodie waltzed on the stage to the tune of "Waltz Me Around Again Willie," and Velda sang it very competently to him and he "waltzed her off again."

Dr. Best sang "Over the Bannister," while Dorothy Fellingham and Roy Labaugh acted out the words on a staircase in the moonlight.

Leslie Moodie sang "Daisies Won't Tell" to Grace Doggett, dressed in a pale blue satin wedding dress of the nineties, carrying a huge bunch of daisies.

All of these members received a goodly response from the audience, but when Bea Alden, dressed in black taffeta dress, and cape and wearing a small black bonnet, as Maggie, and Harvey Doggett dressed as her feckle husband, appeared and sang "When You and I Were Young, Maggie," the audience applauded until they returned for an encore.

Velda Utterback then sang "My Sweetheart's the Man in the Moon," in a lovely contralto, to a lovely old moon.

Bea Alden sang "On the Banks of the Wabash," while Sweetheart's of the nineties made love on a garden bench and strolled softly in the moonlight.

For the closing number Leslie Moodie sang that sentimental favorite, "After the Ball," and Mable and Herbert Rhinshagen and Dorothy Blackburn and Roy Labaugh and Lucille Prellburg waltzed, and sang the last chorus with him.

Each girl was dressed in an old gown of the nineties that was worn by some one of that time, loaned for this occasion.

After the program, a cake walk was held and 19 lovely cakes were given to the fortunate people in the cake walk.

The audience entered into the spirit of the evening and one can imagine the singing of those sweet sentimental airs has been revived in many homes for many days.

**BOWLING NEWS**

Well the team without a name went out and won three games for themselves and then found a name. Arlington Heights Recreation, Ed. Duenn captain. And it happened to be the strong Kehe Motor Truck Drivers, but their driver, Fred, was out with a lame back and their spare tire, Geo. Winkelman was laid up from a football game on Sunday, so they let up to the King-nish and he was off so the Arlington Recreation Boys walked off with 3 games.

The Sterling Oil boys were oiled up for two games and then burned out and left the Winkelman Dairy boys walk off the last game. The Schneberger Coal boys were a little too hot for the Muller boys and won three games.

## OBSERVER'S NOTES

Hark! Hark! The dogs do bark,  
The circus comes to town.  
The monkeys have a high old lark  
When they see the comical clown.  
The elephants have checked their  
trunks  
The tiger paints his stripes—  
The small lads swallow supper in  
chunks  
And old men light their pipes,  
O, a jolly old circus came to town,  
And depression left when he saw  
the clown  
For the elephants opened wide  
their trunks  
Handing out Hoover votes in  
hunks.

Didn't know "The circus was  
coming," when all sudden like,  
there it was, spread out on the  
meadow! How happy it made the  
children! One could see them hur-  
rying from all directions to see  
the elephants and a real drome-

dary with two big humps!

Sad is the lot of those who have  
no children to take to the circus.  
Here is our good neighbor Fricke  
who not only accompanied his own  
children, but took with them some  
of his neighbor's children, whose  
parents could not go, at the after-  
noon hour.

Remember years ago when we  
were in Madison, meeting Dr.  
Johnson, the Episcopal rector, lead-  
ing two small children on his way  
to the circus. O, no, he didn't care  
to see the circus, but the children  
could not go alone! Here I've been  
been to a circus; next time a circus  
comes to town I'm going to chaper-  
on a big group of our neighbors'  
children. It does make children so  
happy.

A circus may be a silly affair;  
same old tricks, same old acrobats,  
and educated dogs and horses. Yet  
it does help to shake off the de-  
pressing influence of our time. It  
is a relief to see the happy faces  
of the children. Even to note the  
worn wrinkles on older faces  
smooth out, as they watch the dogs,  
the horses and the monkeys play  
tricks.

We do need more cheerful enter-  
tainment. "A merry heart doeth  
good like medicine; more and more  
we need the stir of laughter to help  
us to shake off meditating on our  
losses and our crosses. More to help  
us "Laugh it off"—when depres-  
sion clutches us.

No depression among the black-  
birds now. They have real cheerio  
conventions or circuses every night  
and morning these fine September  
days. Sometimes they do break  
up in cliques, and whistle some  
shrill threats about organizing  
another party. Yet when time  
comes to fly into line they all fol-  
low their leader to the fields and  
feeding places.

Don't believe the oldest inhabit-  
ant ever knew a more perfect Sep-  
tember than this one of 1932. Why  
it was only four or five years ago  
we had snow in September. No  
storms, no frost, and only fair  
days and "Every prospect pleases."  
And only those who differ with us  
cause any real disturbance.

September, you have been so fine  
We hate to see you go.  
The glorious skies, the dazzling  
shine.

The sunsets crimson glow;  
September—summer's good-bye  
days  
Stayed in a hush of untold ways  
September you have been kind,  
You leave a flower strewn path  
behind.

Through the kindness of Miss  
Jackson, our always efficient nurse,  
and those Ever Ready ladies, we  
were privileged to meet with them  
in the Community Welfare room,  
to witness the dedication by the  
Rev. Samuel Taylor of the dental  
chair. These ever ready helpers  
by the work of their hands have  
helped to provide for the welfare  
of the children of this community.  
The earnest prayer by brother  
Taylor met a hearty "Amen" in all  
our hearts.

The platform on which the chair  
is placed, the equipment and tech-  
nical description have been given  
by another in the last issue of the  
Herald. The company assembled  
admired the flowers, in vases,  
brought in by Mrs. Dobbins and  
others of the club and beautiful  
they were. Yet when Miss Laura  
McElhose came with a basket of  
beautiful roses from the Klehms,  
it made the crowning feature to the  
floral beauty in the hall.

Those Ever Ready ladies are cer-  
tainly the champion cake bakers.  
Mrs. Saar belongs to a family of  
sisters, prize cake bakers in the  
past. Mrs. Herman needs no in-  
troduction after all her pies and  
other delectable eats she has pro-  
vided for welfare benefit. There  
was Mrs. Milligan and all the mem-  
bership. Not to forget Mrs. Hei-  
man who was described to us by a  
friend, as "One of the kindest, best  
neighbors"—and this she found to  
be true when she was sick.

It was our misfortune to have  
to leave about five o'clock, so miss-  
ed meeting all those teachers and

other guests who assembled later;  
yet much as we failed to be "in  
on," we certainly shared the splen-  
did bite and sup, not for the first  
time, with Miss Jackson and her  
Ever Ready co-workers. We appre-  
ciate their noble work and congrat-  
ulate them on all they have accom-  
plished.

Here I go! Chattering about  
September's glorious weather, and  
all that so blessedly took place  
within its thirty days. When here  
one the very threshold stands Octo-  
ber. A month that is marked by  
so many blessed memories of the  
past! October first, what it once  
gave to me! May the October of  
1932 be a good, a gracious month.  
May its winds be "tempered to the  
shorn lambs"—the poor human  
brotherhood in dire need!

Hail October—all serene,  
Crowned as autumn's glorious  
queen;  
Color that would blind our gaze  
If not veiled in golden haze.

From the meadow and the grove—  
Blooming still—are flowers we  
love,  
Frost flowers white and star flow-  
ers blue  
Spread the way of summer's adieu.

October, with magic charm  
Fills our hearts with memories  
warm;  
Childhood's bright and care free  
ways  
Found delight in all your days.

When the hazel nuts were brown;  
When the walnuts tumbled down;  
Wild grapes and the choicest  
plums—  
Ours—when gay October comes.

O, the bright robes on the trees—  
Spring spread nothing grand as  
these;  
Gorgeous in their grand array—  
Autumn, too, must pass away.

When she sees summer expire  
Sets her maple trees aflame  
Lighting thus her funeral pyre,  
Strews bright leaves the way she  
came.

About mistakes in print; no tell-  
ing how they occur—a speedy writ-  
er who thinks too fast may leave  
off part of a name—for instance  
when we meant to say Mr. and Mrs.  
Philip Laeske, it appeared Mr. and  
Mrs. Philip, and no doubt the re-  
porter was to blame. Overheard  
a reporter say "The Boss says:  
'Sure we get things wrong once in  
a while, but if we were to print  
news the way we hear it on the  
street, we'd only be right once in a  
coor's age.'"

Two were out riding and just to  
show how different even two peo-  
ple see things, listen: She said: "I  
think this scenery is just lovely."  
He said: "O, I don't know; take  
away the mountain and the lake  
and it would be just like any other  
place." There you are: one has  
eyes for seeing, the other has not;  
or is simply analytical, or coldly  
practical; how could they see alike?

Poor Larry Lips! How short  
was his time. We so well remem-  
ber him as a little three months  
old baby in the arms of his grand-  
mother, Mrs. Valentine Lips. Such  
a dear, tender grandmother she  
was, too; it was when our office  
was on the south side next to the  
home of the Valentine Lips family.  
Mrs. Lips' mother, Mrs. Langley,  
then in her 98th year, used to  
share in caring for baby Larry; we  
never forget the picture the aged  
great grandmother gentle careworn  
grandmother—and the little help-  
less boy, now called to meet them  
in a place where sin and sorrow  
never come.

This paving business over on  
North State road has by the reck-  
less driving of trucks, on Miner  
street, and Douglas avenue filled  
our homes with inches and inches  
of dust. Some of us have to do a  
second fall house cleaning to pay  
for careless dust raising racket.  
They call it progress and the trend  
of civilization. I would put the  
syllable "un" before the last word!

The little roads about our town  
Wind in and out, and up and down  
While all day long and late at  
night,  
People are moving, left and right:  
Some moving swift, some moving  
slow,  
Like a procession, on they go.

The wider roads are worldly wise—  
Bearing the weight of merchandise,  
Their trucks and motors flash and  
pass,

Tainting the air, killing the grass.  
The little roads? O, well they are  
a menace to the motor car!  
For many an auto—many a truck,  
Within their clinging depth are  
stuck.  
And just for this they're left  
alone,  
So, somehow have more home like  
grown.

If on a quest for change you are  
Dash over broadways in your car;  
The little roads are only meant  
For those in quest of calm content.  
When you need quiet sympathy  
Come down the little roads with  
me.

Some time recently Mr. J. P.  
Hausman attended the 75th anniver-  
sary of the Northfield church. The  
church where he belonged in his  
early life! Where he attended Sun-  
day school and knew well the older  
membership. He says he saw and  
recognized readily one friend he  
had not seen for 45 years. The  
church had sent invitations to peo-  
ple near and far away who had  
attended there. And a grand old re-  
union they did heartily enjoy, a  
regular get-together, neighborly re-  
vival of memories and friendship.

Wouldn't it be a wise, a sane  
thing, if all of us got together in  
sane and cheerful ways oftener  
than we do. Would it not be wise  
to do all within the circle of our  
influence to impress the fact that  
worldly goods perishable things,  
are not our greatest possession. A  
life of luxury, wealth and ease  
does not bring out the best within  
us; we need the storms, the fail-  
ures and losses; the bitter experi-  
ences, to force us to make the best  
use of circumstances. To lead us  
to rely on God. To trust in Him,  
and to find the depths of mind and  
spirit he has placed in us to de-  
velop and search out.

God's greatest gift, the human  
mind  
Yet in what feeble ways we think;  
Our strongest chain we often find  
Broken by doubt, the weakest link.

We say we think, yet round and  
round  
In circles, purposely we go;  
The deepest depths we do not  
sound  
To find the hidden strength below.

Mind should our bodies still control  
If we but use it as we ought;  
The real ego is the soul,  
A truth that is too feebly taught.

If we an arm, or hand should bind  
And all unused its power keep  
Like the unawakened mind  
Would useless grow in deathlike  
sleep.

O, that we now might realize  
The wonders given us to know,  
The secrets of the earth and skies,  
All unproved knowledge here be-  
low.

The unused powers of the mind,  
Like treasures hidden in the earth,  
We fail to see while here we bind  
Our thoughts to things of little  
worth.

God's greatest gift, the human  
mind.  
Behold what wonders it hath  
wrought,  
Who knows but his may be  
designed  
For greater wonders still  
unsought?

The miracle of radio  
Making of earth a little place,  
Where voices through the air  
may go,  
And men converse, as face to face.

Yet things unknown outmeasure  
still,  
The limit of the things we know,  
Great unsolved problems, if we  
will  
But use our powers, time will  
show.

The hidden treasures, untried  
powers—  
God's greatest gift to all man-  
kind,  
What vast achievements may be  
ours,  
God give us light, these powers to  
find!

SCOUT RALLY  
PLANS MADE,  
EXPECT CROWDWeek-End Outing At  
Deer Grove Camp for  
Northwest Lads

Final details for completing the  
setting for one of the most inter-  
esting scout rallies in the history  
of the local scout council were set-  
tled at a meeting of the special  
committee under Field Scout Com-  
missioner E. J. Anderson Wednes-  
day evening, at Des Plaines. An  
unusual amount of enthusiasm pre-  
vails among the scouts of the local  
troops as they anticipate partici-  
pating in this great event. If the  
weather is fair a large attendance  
is anticipated.

The rally will officially open at 9  
o'clock Saturday morning at Camp  
EvanBoSc, the Evanston Boy  
Scout Camp at Deer Grove, with a  
varied program of instruction in  
scoutcraft and handicraft until mid-  
afternoon. At this time a huge  
treasure hunt will be staged. It is  
to be unusual in that all those  
reaching the end of the trail will  
find a "treasure" for them. The  
climax of the day's activities will  
come in the form of a campfire pro-  
gram.

To Make Huge Totem Pole  
Another feature that occupies an  
important place in the program is  
the Totem Pole project. An au-  
thentic design has been marked out  
upon a large pole. Each scout and  
leader that attends the rally will  
do some of the work on this pole,  
either in cutting the design or de-  
corating it. As he does so his name  
will be written upon a scroll to be  
buried at the base of the pole.

There will be an attendance prize  
for the troop having the most of  
its members there. Gifts have also  
been promised all scouts that at-  
tend.

A number of expert handcraft  
instructors are to carry on a con-  
tinuous program of instruction  
throughout the course of the rally.  
Leatherwork, Metalcraft, Bead-  
work, Woodcarving, Cord and Knot  
craft and Birch bark work will be  
among those offered. Ample op-  
portunities for this as well as other  
types of instruction are provided  
in the program.

Many Will Camp Out  
Although facilities will be pro-  
vided for approximately 100 scouts  
to sleep in the cabins many of the  
troops will bring their own camp-  
ing equipment and set up a regular  
camp. Each troop is arranging its  
own commissary and the scouts will  
prepare their meals over open fires.  
A number of the leaders are plan-  
ning to demonstrate different kinds  
of outdoor cooking and baking. In  
some instances the meal will be  
cooked without utensils while in oth-  
ers makeshift utensils, made from  
tin cans, will be used.

Visitors Welcome  
Anyone interested in witnessing  
all or part of these events is urged  
to come to the camp. The officials  
are particularly anxious to have  
parents visit the rally. The camp  
is located at the northwest corner  
of the Deer Grove forest preserve  
which is on the Dundee road be-  
tween Palatine and Barrington.  
Two routes are to be marked. One  
of these will be from the North-  
west highway, right or north on  
the first paved road west of Pala-  
tine (Quentin Road) to the en-  
trance to the Forest Preserve di-  
rectly across the road from Camp  
Reinberg (which is about 1/4 mile  
north of the Dundee Road). Fol-  
low the signs through the forest  
preserve to Camp EvanBoSc. The  
other route takes you to the coun-  
try road about 600 feet west of the  
viaduct at the intersection of the  
Northwest highway and the Dundee  
road. Turn north on this road to  
the first intersection. Turn right  
or east and follow direct to the  
camp where the road enters the  
forest preserve.

Church Service at Camp  
Protestant church services will  
be conducted at the camp on Sun-  
day morning. Boys of Catholic

## Great Exhibit Home

Canned Products At  
Aurora Fair Grounds

At Aurora, is at present a very  
unusual exhibit of interest to ev-  
eryone. Thousands of jars of  
Home-Canned foods are now on dis-  
play at the Log Cabin situated on  
the Central States Fair grounds.  
From Sweden, England, India, Cu-  
ba, and even the Fiji Islands have  
come jars of interesting foreign  
products.

There are shelves of canned  
meat, everything from turkey to  
deer meat; vegetables have been  
cut into fancy shapes to decorate  
beautiful jars; okra, pumpkin and  
Tennessee beans; flies from Texas  
and guavas from Florida; salmon  
from Washington and cranberries  
from Maine; pickled eggs; zalone.  
The exhibit is held in connection  
with the International Canning  
contest, a yearly affair created to  
encourage more and better home  
canning. (After the jars have been  
exhibited and judged, they are dis-  
tributed to charity.)

When you go to the Log Cabin  
you may want to take a jar or two  
of your own good Home-Canned  
food with you to place on exhibit.

October 9 to the 17th are the  
dates for the Open House at the  
Log Cabin. Everyone is welcome.  
There are cooking demonstrations

faith will attend mass in Barrin-  
ton. The parishioners are arrang-  
ing for transportation for these  
scouts. Camp will be broken short-  
ly after noon Sunday.

on week days from October 10 to  
16. The hours Sunday are from  
noon to 8:00 p. m., week days 10 a.  
m. to 6 p. m.

The Log Cabin is situated on the  
Lincoln Highway, Illinois Route  
22, about two miles north of Aur-  
ora. There is no admission charge  
and there is plenty of free parking  
space.

## ELK GROVE SCHOOL, DIST. 59

Friday, Sept. 30, was our day of  
election for Achievement officers.  
The results were as follows:  
President, Ray Pomplun; vice  
president, Elmer Sell; secretary,  
Edward Wagner; treasurer, Bernice  
Fluger.  
We will hold our first Achieve-

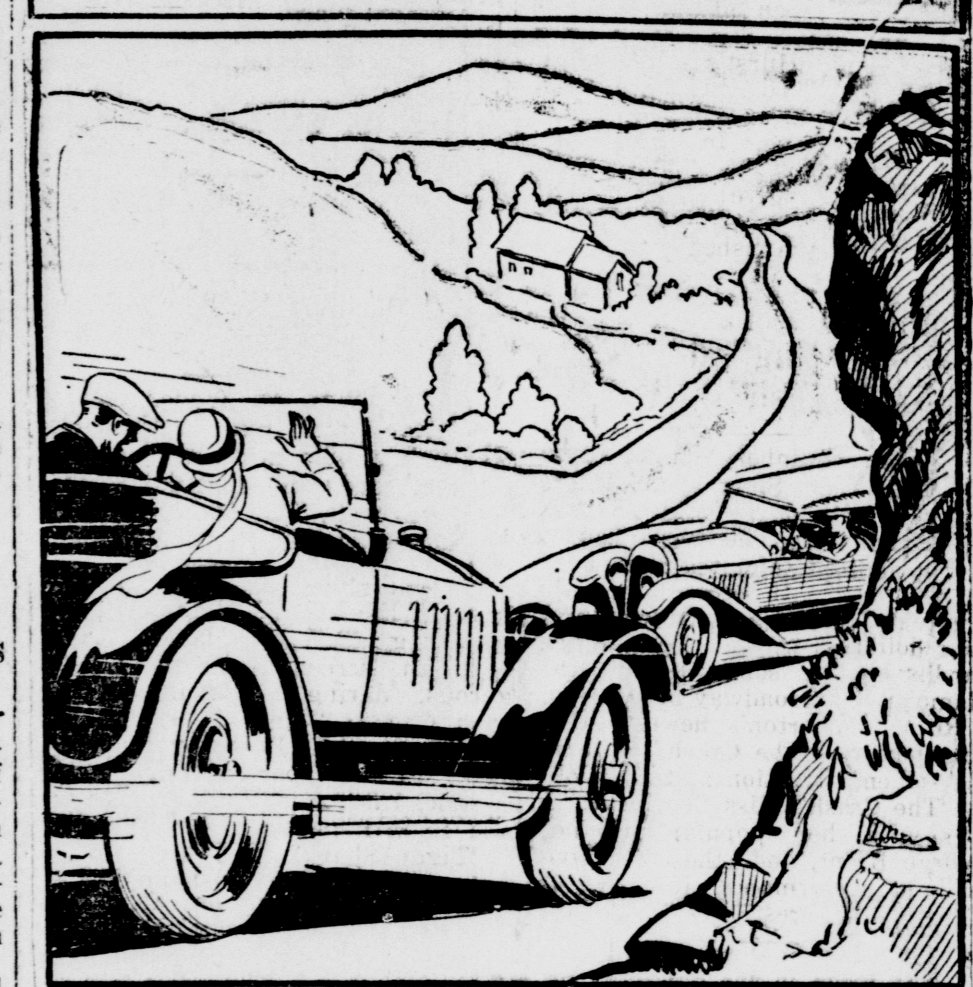

ment meeting next Friday with  
Ray Pomplun presiding.

Mr. Aken visited us last Monday  
and brought our report cards and  
envelopes. He also spoke to the  
boys about baseball.  
Our team is going to play indoor  
instead of league, this year. We  
played Lincoln school twice. The  
last game played was 3-2, favor of  
Lincoln. Anyone wishing to have  
a game with us please call C. Mol-  
lenkamp, 35-J-1, Bensenville.

## Gladiatorial Combats

The first gladiatorial combats are  
said to have been held in the forum  
at Rome in 264 B. C. on the occa-  
sion of the funeral of the father of  
Marcus and Decimus Brutus.

## The Hidden Danger

Motor Vehicle Administrators of the United States, the men who know  
will describe a series of traffic violations and driving errors responsible  
for a majority of automobile accidents and advise how they may be  
avoided. This is number four of the series.

By E. AUSTIN BAUGHMAN  
(Motor Vehicle Commissioner of Maryland)

DON'T SPEED INTO A BLIND  
INTERSECTION. Slow down  
so that you can stop without en-  
tering a crossway in case you meet  
another car.

If you don't you are likely to  
cause one of the most common  
of automobile accidents, as shown  
in the picture.

Last year 8,590 people were killed  
and 460,800 others hurt in 890,200  
accidents at intersections, statistics  
of the National Bureau of Casualty  
and Surety Underwriters show.

How quickly you can stop your  
car is dependent on your speed. Ex-  
perts have determined that at 40  
miles per hour, a car will travel 45  
feet before the driver can put his  
foot on a good brake and then 70  
feet before the car actually stops.

You must then be able to see 115  
feet of clear, unobstructed road  
ahead before it is safe to drive 40  
miles per hour.  
In the picture the motorist travel-  
ing at 40 miles per hour could not  
see the hidden danger,—the ap-  
proaching car—at the intersection.  
By the time he did see it, he had  
only 50 feet to stop and he needed  
more than 100. If he had been driv-  
ing 15 or 20 miles an hour—he could  
have stopped within the 50 feet.

Safe speed is determined by how  
far you can see ahead and how far  
ahead is the nearest intersection  
or entrance to the street or high-  
way on which you are traveling.  
You must not drive faster than  
will permit you to stop within this  
assured clear distance ahead.

If you do, then it is mere luck  
which prevents some vehicle from  
entering the street and finding you  
unable to stop.

## A Real Home

IN THE planning and arrangement of our  
funeral home, we were guided by one main  
principle; to provide in this establishment all  
the comfort and privacy of a fine residence  
plus the added convenience of a building de-  
signed especially for the purpose.

When we remove the remains of a loved one  
from the shelter of the private home, it must  
be to a place where the same reverent, dignified atmosphere it maintained.  
This is the yardstick by which we measure our facilities, and nothing  
less will satisfy us.

Bereaved families find our mortuary to be indeed a "second home"—a place  
where their privacy is respected and their every need anticipated during  
a trying time.

## "Short on Information"

Do you know within 40c a hundred-weight what your hogs  
are worth on the market today? Many farmers do not,  
the Chicago Daily Drovers Journal recently stated. In  
some cases the resultant loss has been \$40 to \$80 on hogs  
sold. Among the reasons for this expensive shortage of in-  
formation was the lack of a telephone with which to follow  
the trend of the market. To quote the Journal: "It is  
usually expensive in any business to find yourself short on  
information." And it costs so little to have a telephone

## Theatre Notes

### Ted Weems at Uptown; "Back Street" on Screen

Ted Weems and his orchestra will be on the Uptown stage this week starting Friday, October 9. Weems has built up a tremendous following on the air by virtue of the versatility of every member of his band and their novel arrangements of popular tunes. He has with him a host of other performers headed by the golden-voiced Andrea Marsh, who, like Weems and his orchestra, is an established radio favorite.

On the screen at the Uptown will be "Back Street," adapted from Fannie Hurst's masterpiece. "Back Street" is a poignant, moving story of a woman who sacrifices all for love. In this picture Irene Dunne and John Boles, in the leading roles, give inspired performances unrivaled by anything they have accomplished in their entire career.

### "Desert Song" at Tivoli; "The Crash" on Screen

Sigmund Romberg's musical romance, "Desert Song," will be seen complete on the Tivoli stage Friday, October 9. This version, starring Perry Askam, is identical in every detail with production playing to prices ranging from two to four dollars a seat. It has all the thrills, all the songs and all the glamour of a Broadway production.

Ruth Chatterton's newest starring picture, "The Crash," will be the screen attraction at the Tivoli. In "The Crash" Miss Chatterton is seen with her popular husband, George Brent, and the two give brilliant performances in a drama of intense interest.

### Richard Barthelmess in "Cabin in the Cotton" on the Chicago Screen

A powerful drama of the cotton country of the South opens Friday at the Chicago Theater, where Richard Barthelmess appears in his latest photodrama, "The Cabin in the Cotton."

Barthelmess portrays a "poor white" boy of the district, educated and given a home by a rich planter, who finds himself torn between love for his own kind, the distressed tenant farmers, and loyalty to the planter who has been his benefactor. In the end, he succeeds in doing both—but not before a gripping and colorful tale has been unfolded.

A spectacular all-star stage production is being prepared such as only the Chicago Theater can produce.

"Black and White Fantasy," a glamorous, fantastic and dancing stars, "Moonlight Shadows" and exquisite setting for stage-magic, with a ballet of graceful beauty.

### George M. Cohan in "The Phantom President" at United Artists Theater

"The Phantom President," political comedy featuring George M. Cohan, Claudette Colbert and Jimmy "Schnozzle" Durante, opened at the United Artists Theater last Wednesday.

The picture deals with a presidential campaign, with Cohan, making his talking picture debut after a quarter of a century of success in dual role—a candidate lacking personality to win votes.

Durante is cast as the Barker's pal, a comic figure who aids in the campaign.

### Janet Perfect In Wifely Aim

Most anyone in the world can visualize Janet Gaynor kissing Charles Farrell, but it takes a vivid imagination to picture her knocking him cold with a vase.

An accident, of course, yet it actually happens during the hilarious mixup of the dramatic climax in "The First Year," their latest Fox romantic comedy now playing at the Des Plaines Theatre. However, the vase incident which makes Charlie a fit applicant for emergency treatment also occasions an excuse for Janet to gather him in her arms and to administer her curative kisses to the wound.

### Hollywood Comedians On Oriental Stage

Ben Turpin, "Snub" Pollard, Walter Hiers and Lambert, a quartet of crazy Hollywood comedians, will all appear in person at the Oriental Theater Friday.

Ben Turpin was the comedy star of more than a hundred pictures and has spent the greater portion of his life showing the cockeyed world how to laugh. "Snub" Pollard is famous for his comedy roles in Mack Sennett Keystone Kops. Walter Hiers, the genial fat man of laughter who has broken every scale of hilarity, and Lambert, the mad wag of the xylophone.

On the screen is the most dangerous, daring, colorful thriller ever filmed, "Tiger Shark," starring Edward G. Robinson and has an excellent supporting cast, which includes Richard Arlen, Zita Johann and Leila Bennett.

"Tiger Shark" is a sensational drama of the tuna fisheries, and the men who make their living in the shark-infested fishing grounds, far off the Mexican coast in the Pacific Ocean. For the first time in the history of the screen, the hazards of the tuna fisherman's life are shown, with all the wealth of authentic realism made possible by the modern motion picture camera.

### 5 Great Stars in "Grand Hotel" At McVickers

Five great stars rise to even greater heights in "Grand Hotel," a spectacular picturization of the celebrated Vicki Baum novel and play, now showing at the McVickers Theatre.

In bringing "Grand Hotel" to the screen Metro-Goldwyn-Mayer placed five of its major stars in the central characterizations. These are Greta Garbo, John Barrymore, Joan Crawford, Wallace Beery and Lionel Barrymore playing outstanding roles. Lewis Stone and Jean Hersholt are featured in the large supporting cast.

### FINAL SPECIAL ASSESSMENT NOTICE

In the matter of the petition of the Village of Mount Prospect for the special assessment of the cost of constructing a connected system of street pavement in PINE STREET and CENTRAL STREET in said Village, as provided in and by Mount Prospect Special Assessment No. 19, in the County Court of Cook County.

NOTICE is hereby given to all persons interested that the Board of Local Improvements of said Village has heretofore filed in said court in said cause, a certificate showing the cost of the work, the amount reserved for interest, and also that the improvement has been constructed in substantial conformity with the requirements of the original ordinance therefor.

The hearing to consider and determine whether or not the facts stated in said certificate are true, will be held in said court on the 17th day of October, A. D. 1932, at the hour of ten o'clock A. M., or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said court on or before the time set for such hearing and may appear on the hearing and make their defense.

## OUR FARMS Eggs Paying More Now But Too Many Hens Not Laying

Urbana, Ill., Sept. 24—Higher egg prices promise to make Illinois farm chickens a source of welcome cash income this fall, but hundreds of flock owners will be puzzled and complaining because they are not getting any eggs, says H. H. Alp, poultry extension specialist of the College of Agriculture, University of Illinois.

There are many reasons why hens don't lay, but one thing is certain, according to Alp. More attention could be given to better management on many farms where egg production is low.

"Probably the most common reason for unthrifty birds that will lay poorly this fall will be worms. In the case of infested flocks it would be advisable to treat the birds and then confine them to clean quarters to prevent a reinfestation. Prevention of intestinal worms in chickens is covered in the college's circular No. 344, which makes reference to the use of common lye for this purpose."

"Hens won't lay their best unless their houses are kept clean, free from lice and mites, well-ventilated and not overcrowded. Four square feet is best for good results. There also should be plenty of feed hopper space. Hoppers ten feet long which permit feeding from both sides will provide enough hopper space for 100 birds. Plans for home-made feeders are given in the college's circular No. 333 on poultry farm equipment. Plenty of fresh drinking water also is important."

"It should be an easy matter to get a good feed mixture or ration that will produce eggs. A number of suitable mash mixtures which, for the most part, can be made from home-grown grains are given in the college's circular No. 275 on feeding for egg production. One of many mash mixtures that may be used can be made from 200 pounds ground yellow corn, 100 pounds ground wheat, 100 pounds ground oats, 50 pounds meat scrap, 25 pounds dried milk, 25 pounds soybean oil meal, 2 1/2 pounds steamed bone meal, 2 1/2 pounds ground limestone and 5 pounds salt."

## Operating Costs For Farm Trucks About 7c a Mile

Urbana, Ill., Oct. 4—Farm trucks, of which there are more than 40,000 in Illinois, are operated at an average cost of \$188 a year, or 6.7 cents a mile, for the ton and the ton and a half sizes, according to detailed cost studies made by the farm organization and management department of the College of Agriculture, University of Illinois.

Slightly more than 18 per cent of all farms in the state had trucks in the last census, whereas in 1920 only 2.5 per cent of the farms had them, or a total of 6,000 for the state. There is a tendency for the trucks to be concentrated in certain sections, the number varying from 35 in Hardin county to 2,300 in Cook county.

Mileage on the trucks that were studied averaged 2,813 miles a year and the average load hauled was 2,825 pounds, giving a cost of 9 cents a ton mile, it is reported by P. E. Johnston, of the farm management department. In traveling the 2,813 miles, the trucks consumed an average of 253 gallons of gasoline, which was at the rate of 11.1 miles a gallon. The average gas bill for the season was \$35.74. This was 19 per cent of the total operating cost. An average of nine gallons of oil was used by the trucks at a cost of about \$6.

Other important items of expense were \$60 for depreciation, \$21 for repairs, \$20 for license, \$16 for interest on investment and \$11 for tires. Miscellaneous items, including insurance, grease and shelter, came to \$18.

Costs per mile were much lower for those trucks driven a greater distance, the cost being 9.8 cents a mile for trucks driven less than 1,500 miles as compared with 5.5 cents for those driven more than 4,500 miles during the year.

The trucks were used 68 per cent of the time for hauling products from the home farm, 19 per cent of the time in doing custom hauling and 14 per cent in hauling and delivering to the neighbors. The hauling of livestock and livestock products accounted for one-third of the work done with the trucks, while another third went into miscellaneous hauling on the home farm.

The trucks were used fairly uniformly throughout the year, July being the month of maximum use with 11 per cent of the total year's hauling being done then, October ranked second in the amount of hauling.

## Cook County Figures Large in Agriculture

Farms in Cook county totaled 3,348 at the time of the 1930 census, as compared with 1,296 in DuPage county, or 1,566 in Lake county. Only La Salle, Livingston and McLean counties had more farms, respectively, than Cook county.

In Cook county, 300 farms were classed as "General," 140 as "Cash Grain," 123 as "Truck Farms," 755 as "Dairy Farms," 156 as "Poultry Farms." The value of land and buildings was given as \$100,826,311, being exceeded in this respect only by Champaign and Livingston counties.

These figures are from a new pamphlet, "Illinois Statistics by Counties," issued by the U. S. Dept. of Commerce.

## A. H. CARDINALS

### SCALP INDIANS

The Cardinals of Arlington and the Indians of Antioch, staged quite a scrap on Arlington's field before Antioch succumbed to the Red Birds. The teams were pretty evenly matched in both weight and speed, with what edge, if any, in favor of Arlington. A little added experience on the part of the Arlington players was responsible for the victory they acquired.

Once again, as in the Palatine game, some good blocking on the part of the Cardinals, and being alert at most of the crucial moments, netted them the two touchdowns accumulated.

The first half resolved itself into somewhat of a see-saw affair. Arlington had two chances to score in the first quarter, carrying the ball as close as the six inch line on one occasion only to miscue by means of penalties. With the first touchdown of the season on the local field impending, the boys were unable to keep their feet on the ground until the ball was snapped and in this way nullified their chances to score.

In the second quarter with the ball almost on the Antioch goal line, reaching that position largely because of a 15 yard penalty on the Indians—the Antioch center tossed the ball over a prospective punter's head thereby creating a safety and two points for Arlington. In fact the pass almost looked like a drop kick as it barely skimmed under the cross bar of the goal posts and well out of danger of being blocked.

This safety was the lone score of the first half, Arlington leading at the intermission 2-0. However, action started almost immediately in the second half. With the ball almost in midfield, an Arlington kick was blocked and bounced back to Arlington's 15 yard line—the bounce being almost as long as the average punt.

Arlington held for two downs when a pass receiver behind the goal line was interfered with, the ball going to Antioch on the Cardinal 1 yard line. Three line plays netted a minus distance in yardage. Then on 4th down another pass was completed behind the goal line for Antioch's touchdown. The try for point failed.

With the score 6-2 against them, Arlington chose to receive. With Hauff and Koelling alternating they hammered to the 20 yard line where an end run by S. Szasz scored another six points. Capt. Wilke demonstrated the value of some good blocking by clearing the way for this 20 yard run almost alone. A few minutes later in the 4th quarter, Hauff snared an Antioch pass for a 60 yard hike and Arlington's last score.

Late in the 4th quarter, Frank Szasz reeled off another 60 yard run from scrimmage only to have it called back because an Arlington lineman had done a bit of holding in clearing the way for him.

## Grade School Football

### Boys Tie with Algonquin

Coach Vanderbeek's football boys from the grade school made a trip to Algonquin last Thursday afternoon and played a tie game with the Algonquin boys. This is the first time that the Arlington Heights boys have ever been able to come home without a defeat in football with Algonquin.

Completion of the last link in the Illinois waterway will be accomplished probably by December 1 and certainly before the middle of December, state officials have announced. It is not intended, however, to open the waterway for traffic before April 1, 1933. The project was financed by a \$20,000,000 state bond issue voted in 1908 and aided by a \$7,000,000 federal grant.

This made it eight straight games for the Bruins, ending the season. Games won, 22; games lost, 4.

## RESERVES TRIM BARRINGTON 7-0

### Lightweights Outplay Visitors in Every Quarter

The Palatine lightweight football team tasted victory last Thursday when they defeated Barrington lights by a score of 7 to 0. The game was played at Palatine at about 4:00 p. m. Due to the fact that admission was free there was a good sized crowd on hand to cheer the boys to victory.

Barrington kicked off to start the game. Barrington only had the ball once in the first quarter. The quarter ended after Palatine had made 5 first downs due to the plunging of Helms and Tudyman. The only scoring of the game came in the second quarter when North caught a pass and ran 15 yards for a touchdown. The extra point was made by Mangels. The ball was in Palatine's possession at the half.

There was some very good football played in the third quarter. Palatine kicked off and play was resumed. Dotterer made a few gains and then Barrington tried a forward pass which was intercepted by Helms. Palatine then made a first down, but soon lost the ball on downs.

The most striking play of the quarter was when Dotterer ran 43 yards before he was forced out of bounds. It was fortunate for Palatine that Barrington fumbled when they did or they may have made a touchdown. Tudyman made several gains on end runs and plunges.

The final quarter was very hard fought, was very exciting. Helms was playing sleeper and dropped a pass that would have resulted in a touchdown, but he made up for it in his playing. The game finale was when Mangels received a punt and ran 40 yards before he was tackled just as the whistle blew.

The final score was Palatine 7, Barrington 0.

## PIRATES TO PLAY LAST HOME GAME

### Point for First Victory in Grid Battle with Bensenville Friday

Palatine's Pirates have victory aspirations as they prepare for the game with Bensenville to be played here Friday afternoon. The Pirates appear to have their best chance of the season for copping a win when they engage the Bensenville eleven.

Frequent scrimmages with the second team and two full weeks of drill without a game is expected to put the local lads in fine trim for the last home battle of the season. Last Friday in a scrimmage the seconds were handed a 19-6 setback with Geo. Smith, Francis Matthei and coach Mergel playing on the reserve team. The Pirate offense is beginning to function and is expected to drive over a couple of touchdowns Friday.

Last season Palatine grabbed their lone victory of the campaign from Bensenville on a muddy field in a pouring rain with "Gene" Meyer scoring the only touchdown of the game.

Bensenville lost to Antioch 6-0 in their opening conference game and did not show any greater strength than last season when they ranked just above Palatine in the standings. The visitors have quite a number of veterans but should be about an even match for the Palatine boys.

After Friday Palatine finishes their schedule away from home with games at Barrington, Antioch and Leyden in the order named.

## Football Boys See Northwestern Down Mo., 28 to 0

The football squad, along with Coach Mergel, Mr. McElroy, Mr. Verloet, and a few "town boys," who generously offered their services, motored over to Evanston Saturday and saw Northwestern down Missouri.

The Missouri team used an offense similar to Palatine's so the observations proved very interesting. Missouri held Northwestern scoreless until the second half when Rentner entered the game and started the Wildcats march to the goal line.

Everyone was impressed by the cool, sensational passing and open field running of Rentner, coupled with the fine tackling and pass receiving of Manske for Northwestern. For Missouri Gill, the full-back and Mangels, the right end were the outstanding players.

It was also interesting to see how Carideo, Missouri coach, diagnosed Northwestern's plays.

The Illinois legislature reconvened its fourth special session Sept. 27, after two weeks of discussion of possible relief legislation. A group of bills which passed the senate also were sent to second reading in the house before adjournment. They included the Means bill, which gives counties the right to issue bonds for relief purposes, the bonds to be guaranteed by proceeds from the state automobile gasoline tax.

## Maywood School Superintendent P. T. A. Tues.

The Palatine Parent Teacher Association will hold the regular meeting for October next Tuesday evening, October 11 at the Community hall of the Palatine Township High School. The speaker for the meeting will be Mr. J. B. Stokes, superintendent of the Maywood Schools, whose subject will be School Child and Citizenship. The mothers of Grade one and two will serve refreshments.

The parents are urged to attend these meetings and as the meeting at this time is in the evening the fathers are especially urged to be present. These meetings serve many purposes, such as becoming acquainted with the principal, teachers, board members, your own educational values as the program committee has arranged a most interesting program for the entire year, one afternoon or evening a month is asking very little of our time for our boy or girl and last but not least our boys and girls are anxious that the attendance be perfect so they may have a chance to win the picture which is offered to the grade having the largest percentage of parents present.

The new picture will be purchased this week and ready for the winners after the Tuesday meeting. Many members are also planning to attend the conference to be held October 14, at Ingleside, Ill. Those desiring to go are to notify Mrs. Elmore Foster.

Mrs. Elmore Foster, chairman of the Citizenship committee of St. Paul's Ladies' Union is planning for a very fine program on "Citizenship" to be held at St. Paul's church on Wednesday evening, Oct. 19, to which a cordial invitation is extended to every one to attend. Mrs. Madeline Mernitz of Chicago Heights will be the principal speaker, and there will be others. A social hour will follow and the friends of the church from the other local churches and those who have no particular church home are most cordially invited to this meeting.

## Worry—It's Cause and Cure

"I don't mind school, but it gets on my nerves; the home-work you know," the everlasting wail of students. The cry continues, "Homework brings worry; worry makes one hate school. The school is the loser."

But wait! Is not worry caused by care and anxiety? We wish neither to defend or condemn homework. All we wish to do is to show that undue homework causes worry. Eliminate worry and school will be a joy. How is that for logic?

## PALATINE

Mr. Andrew Kettelsen spent the week-end at home.

Rev. Robeson and family of Elizabeth, Ill., visited at the H. H. Pahlman home last Thursday.

## SCOUT NEWS

Troop 1 meets Friday afternoon at 4 o'clock at the Municipal building. Any girl over ten years is welcome to join and in fact is especially invited to do so as there is so much in scout work. Come down Friday afternoon and see what it is. On Tuesday night Troop 2 held their meeting but in the future they will meet at 7:30 on Thursday nights. Mrs. Birgel, the leader plans to come up to each meeting from her home in Evanston Park and if she can make the effort local girls ought to do their part. She extends an invitation for all girls in the eighth grade and high school to meet with them on Thursday evening, Oct. 13, at 7:30 at the Municipal building.

The Boy Scouts had the time of their lives at the Northwestern-Missouri football game at Dyche stadium, Evanston, last Sunday.

The game with its thrills was certainly enjoyed by the groups that attended. They were accompanied to the game by Assistant Scout Master George Minniberger, Gilbert Smith, Louis Miller and Robert Deverman. The boys extend their thanks to those who took them and hope they too enjoyed the fun.

State bank failures in Illinois reached the lowest mark in several months during August when only four institutions closed their doors, according to the regular monthly report issued by State Auditor Oscar Nelson. The report disclosed there are 785 state banks operating in Illinois with 630 of them located outside of Cook county.

## Palatine High School Notes

### FRESHMAN PARTY HELD LAST FRIDAY

### New Students Entertained in First Social Event

The first social event of the year was held in the gymnasium Friday, September 30, for the entire student body and faculty. The freshmen were the guests of the upper classmen.

Mr. Verloet and Miss Jumps had charge of the games that were played early in the evening. Due to the fact that the orchestra that had been hired was unable to come, a concertina player furnished the music for dancing.

At ten o'clock cider and doughnuts were served. Dancing was ended by eleven o'clock, and everyone went home planning a date for another party.

### New Typewriting Machines Added

Eleven new typing machines were added to the typing equipment.

Four of the new machines were L. C. Smiths, which were "trade ins" for old machines. There were five new Underwoods, three of which were "trade ins" while two were bought outright.

Now we are assured of a fresh onset of speed records by P. T. H. S. typists.

The typists and students are grateful to the school board for modernizing the equipment which likewise increases the efficiency.

### LIBRARY SCHEDULE

Miss Heise has been reappointed chief librarian. To assist her she has appointed Owen Stokes, Ruth Saget, Eugene Kelly, Alice Neitz, and Emma Grace Trepus.

For the convenience of the pupils one of the five assistant librarians will be in the library each period. They will operate on the following schedule:

1st period, Alice Nietz; 2nd period, Eugene Kelly; 3rd period, Emma Grace Trepus; 4th period, Owen Stokes; 5th period, Emma Grace Trepus; 6th and 7th periods, Owen Stokes; 8th period, Eugene Kelly; noon hour and after school, Ruth Sager.

No books should be taken from the library without the consent of Miss Heise or the assistant librarians.

**A Status**  
"The statue of a great man," said H. H. Ro, the sage of Chinatown, "should be like our reputations, which, by depicting magnificence without personal resemblance, puts an end to all blame; even that of art criticism."—Washington Star.
